<i>A Ballad of Love and Glory</i> -Reyna Grande 2022-03-15
A Long Petal of the Sea meets Cold Mountain in this sweeping historical saga following a Mexican army nurse and an Irish soldier who must fight, at first for their survival and then for their love, amidst the atrocity of the Mexican-American War—from the author of the “timely and riveting” (People) Across a Hundred Mountains and The Distance Between Us. A forgotten war. An unforgettable romance. The year is 1846. After the controversial annexation of Texas, the US Army marches south to provoke war with México over the disputed Río Grande boundary. Ximena Salomé is a gifted Mexican healer who dreams of building a family with the man she loves on the coveted land she calls home. But when Texas Rangers storm her ranch and shoot her husband dead, her dreams are burned to ashes. Vowing to honor her husband’s memory and defend her country, Ximena uses her healing skills as an army nurse on the frontlines of the ravaging war. Meanwhile, John Riley, an Irish immigrant in the Yankee army desperate to help his family escape the famine devastating his homeland, is sickened by the unjust war and the unspeakable atrocities against his countrymen by nativist officers. In a bold act of defiance, he swims across the Río Grande and joins the Mexican Army—a desertion punishable by execution. He forms the St. Patrick’s Battalion, a band of Irish soldiers willing to fight to the death for México’s freedom. When Ximena and John meet, a dangerous attraction blooms between them. As the war intensifies, so does their passion. Swept up by forces with the power to change history, they fight not only for the fate of a nation but for their future together. Heartbreaking and lyrical, Reyna Grande’s spellbinding saga, inspired by true events and historical figures, brings these two unforgettable characters to life and illuminates a largely forgotten moment in history that impacts the US-México border to this day. Will Ximena and John survive the chaos of this bitter war, or will their love be devoured along with the land they strive to defend?
Just Try One Bite -Adam Mansbach 2022-03-22
An instant New York Times bestseller! From the bestselling author of Go the **** to Sleep and healthy eating advocate Camila Alves McConaughey comes a whimsical role reversal in which picky eater parents are confronted by their three kids, with hilarious results These three kids are determined to get their parents to put down the ice cream, cake, and chicken fried steak to just try one bite of healthy whole foods. But it's harder than it looks when these over-the-top gagging, picky parents refuse to give things like broccoli and kale a chance. Kids will love the jaunty rhyme that's begging to be read aloud and the opportunity to be way smarter—and healthier—than their parents.
A Hole in the Wind: A Climate Scientist's Bicycle Journey Across the United States -David Goodrich 2017-06-06
An epic bicycle journey across the American hinterland that explores the challenges of climate change alongside a diverse array of American voices. After a distinguished career in climate science as the Director of the UN Global Climate Observing System in Geneva, David Goodrich returned home to the United States to find a nation and a people in denial. Concerned that the American people are willfully deluded by the misinformation about climate that dominates media and politics, David thought a little straight talk could set things right. As they say in Animal House, he decided that “this calls for a stupid and futile gesture on someone’s part, and I’m just the guy to do it.” Starting on the beach in Delaware, David rode his bike 4,200 miles to Oregon, talking with the people he met on the ultimate road trip. Along the way he learned a great deal about why climate is a complicated issue for many Americans and even more about the country we all share. Climate change is the central environmental issue of our time. But A Hole in the Wind is also about the people Dave met and the experiences he had along the way, like the toddler’s beauty pageant in Delaware, the tornado in Missouri, rust-belt towns and their relationship with fracking, and the mined-out uranium ghost town in Wyoming. As he rides, David will discuss the climate with audiences varying from laboratories to diners to elementary schools. Beautifully simple, direct, and honest, A Hole in the Wind is a fresh, refreshing ride through a difficult and controversial topic, and a rich read that makes you glad to be alive.
How Creativity Rules the World -Maria Brito 2022-03-15
Learn to make creativity work for your career. Anyone, regardless of who you are or what you do, can cultivate the habits, actions, and attitudes that inspire creativity and innovation. How Creativity Rules the World shows that creativity is an inexhaustible resource available to everyone. It can be taught to all and is the key to thriving in the business world and beyond. This timeless guide promises to make the creative process of successful seven-figure artists and billion-dollar entrepreneurs—as well as Maria’s own—accessible and actionable for you to take the power of their ideas to the next level. Contemporary art curator and writer of the popular newsletter, The Groove, Maria Brito discovered the power of creativity when she transitioned from being an unhappy Harvard-trained corporate lawyer to a thriving entrepreneur and innovator in the art world. After applying the principles in How Creativity Rules the World to her own business, Maria started teaching them to hundreds of people, ranging from entrepreneurs to artists to CEOs. Proven by her students’ creative successes, Maria will guide you to strike gold with your ideas as well. In How Creativity Rules the World, you will learn how to: Overcome limiting thoughts and dispel myths about creativity. Unleash creativity through concrete data, historical passages, and examples of modern entrepreneurship. Develop timeless habits, principles, and tools that worked six centuries ago and continue to work today. Employ creativity in an everyday context to produce extraordinary results. With revealing studies and stories spanning business and art, this book is a deep dive into history, culture, psychology, science, and entrepreneurship; analyzing the elements used by some of the most creative minds throughout the last 600 years. There has never been a more crucial time than now to develop your creativity and your ability to innovate. Coming up with original ideas of value is today’s most precious skill.
<i>Seeking Fortune Elsewhere</i> -Sindya Bhanoo 2022-02-15
These intimate stories of South Indian immigrants and the families they left behind center women’s lives and ask how women both claim and surrender power—a stunning debut collection from an O. Henry Prize winner Traveling from Pittsburgh to Eastern Washington to Tamil Nadu, these stories about dislocation and dissonance see immigrants and their families confront the costs of leaving and staying, identifying sublime symmetries in lives growing apart. In “Malliga Homes,” selected by Chimamanda Ngozi Adichie for an O. Henry Prize, a widow in a retirement community glimpses her future while waiting for her daughter to visit from America. In “No. 16 Model House Road,” a woman long subordinate to her husband makes a choice of her own after she inherits a house. In “Nature Exchange,” a mother grieving in the wake of a school shooting finds an unusual obsession. In “A Life in America,” a professor finds himself accused of having exploited his graduate students. Sindya Bhanoo’s haunting stories show us how immigrants’ paths, and the paths of those they leave behind, are never simple. Bhanoo takes us along on their complicated journeys where regret, hope, and triumph appear in disguise.

Poetry Is Not a Luxury -Maymanah Farhat 2020-06
<i>Hunting by Stars (A Marrow Thieves Novel)</i> -Cherie Dimaline 2021-10-19
From the acclaimed author of The Marrow Thieves comes a thrilling new story about hope and survival that New York Times bestselling author Angeline Boulley called “a revelatory must-read” A 2022 American Indian Library Association Youth Literature Young Adult Honor Book Years ago, when plagues and natural disasters killed millions of people, much of the world stopped dreaming. Without dreams, people are haunted, sick, mad, unable to rebuild. The government soon finds that the Indigenous people of North America have retained their dreams, an ability rumored to be housed in the very marrow of their bones. Soon, residential schools pop up—or are re-opened—across the land to bring in the dreamers and harvest their dreams. Seventeen-year-old French lost his family to these schools and has spent the years since heading north with his new found family: a group of other dreamers, who, like him, are trying to build and thrive as a community. But then French wakes up in a pitch-black room, locked in and alone for the first time in years, and he knows immediately where he is—and what it will take to escape. Meanwhile, out in the world, his found family searches for him and dodges new dangers—school Recruiters, a blood cult, even the land itself. When their paths finally collide, French must decide how far he is willing to go—and how many loved ones is he willing to betray—in order to survive. This engrossing, action-packed, deftly-drawn novel expands on the world of Cherie Dimaline’s award-winning The Marrow Thieves, and it will haunt readers long after they’ve turned the final page.
Gichigami Hearts -Linda LeGarde Grover 2021-10-26
Award-winning author Linda LeGarde Grover interweaves family and Ojibwe history with stories from Misaabekong (the place of the giants) on Lake Superior Long before there was a Duluth, Minnesota, the massive outcropping that divides the city emerged from the ridge of gabbro rock running along the westward shore of Lake Superior. A great westward migration carried the Ojibwe people to this place, the Point of Rocks. Against this backdrop—Misaabekong, the place of the giants—the lives chronicled in Linda LeGarde Grover’s book unfold, some in myth, some in long-ago times, some in an imagined present, and some in the author’s family history, all with a deep and tenacious bond to the land, one another, and the Ojibwe culture. Within the larger history, Grover tells the story of her ancestors’ arrival at the American Fur Post in far western Duluth more than two hundred years ago. Their fortunes and the family’s future are inextricably entwined with tales of marriages to voyageurs, relocations to reservation lands, encounters with the spirits of the lake and wood creatures, the renewal of life—in myth and in art, the search for meaning in the transformations of our day is always vital. Finally, in one man’s struggles, age-old tribulations, the intergenerational traumas of extended families and communities, and a uniquely Ojibwe appreciation for the natural and spiritual worlds converge, forging the Ojibwe worldview and will to survive as his legacy to his descendants. Blending the seen and unseen, the old and the new, the amusing and the tragic and the hauntingly familiar, this lyrical work encapsulates a way of life forever vibrant at the Point of Rocks.
<i>Native Americans of New England</i> -Christoph Strobel 2020-04-30
This book provides the first comprehensive, region-wide, long-term, and accessible study of Native Americans in New England. This work is a comprehensive and region-wide synthesis of the history of the indigenous peoples of the northeastern corner of what is now the United States—New England—which includes the states of Massachusetts, Connecticut, Rhode Island, Maine, New Hampshire, and Vermont. Native Americans of New England takes view of the history of indigenous peoples of the region, reconstructing this past from the earliest available archeological evidence to the present. It examines how historic processes shaped and reshaped the lives of Native peoples, and uses case studies, historic sketches, and biographies to tell these stories. While this volume is aware of the impact that colonization, ethnic cleansing, dispossession, and racism had on the lives of indigenous peoples in New England, it also focuses on Native American resistance, adaptation, and survival under often harsh and unfavorable circumstances. Native Americans of New England is structured into six chapters that examine the continuous presence of indigenous peoples in the region. The book emphasizes Native Americans’ efforts to preserve the integrity and viability of their dynamic and self-directed societies and cultures in New England. Brings New England’s Native American past to life through case studies, anecdotes, stories, and biographies Emphasizes the continued Native American presence in the region Includes various resources such as a chronology, community information, Internet resources, and a bibliography
Letter to Honcho’s Members Re: Membership and Upcoming Events
<i>History of New York City</i> -Benson John Lossing 1884
<i>You Sound Like a White Girl</i> -Julissa Arce 2022-03-22

AN INDIE BESTSELLER Most Anticipated by ELLE • Bustle • Bloomberg • Kirkus • HipLatina • SheReads • BookPage • The Millions • The Mujerista • Ms. Magazine • and more “Unflinching” —Ms. Magazine • “Phenomenal” —BookRiot • "An essential read" —Kirkus, starred review • "Necessary" —Library Journal • "Powerful" —Reynora Castro • "Illuminating" —Reyna Grande • "A love letter to our people" —José Olivarez • "I have been waiting for this book all my life" —Paul Ortiz Bestselling author Julissa Arce calls for a celebration of our uniqueness, our origins, our heritage, and the beauty of the differences that make us Americans in this powerful polemic against the myth that assimilation leads to happiness and belonging for immigrants. “You sound like a white girl.” These were the words spoken to Julissa by a high school crush as she struggled to find her place in America. As a brown immigrant from Mexico, assimilation had been demanded of her since the moment she set foot in San Antonio, Texas, in 1994. She’d spent so much time getting rid of her accent so no one could tell English was her second language that in that moment she felt those words—you sound like a white girl?—were a compliment. As a child, she didn’t yet understand that assimilating to “American” culture really meant imitating “white” America—that sounding like a white girl was a racist idea meant to tame her, change her, and make her small. She ran the race, completing each stage, but never quite fit in, until she stopped running altogether. In this dual polemic and manifesto, Julissa dives into and tears apart the lie that assimilation leads to belonging. She combs through history and her own story to break down this myth, arguing that assimilation is a moving finish line designed to keep Black and brown Americans and immigrants chasing racist American ideals. She talks about the Lie of Success, the Lie of Legality, the Lie of Whiteness, and the Lie of English—each promising that if you obtain these things, you will reach acceptance and won’t be an outsider anymore. Julissa deftly argues that these demands leave her and those like her in a purgatory—neither able to secure the power and belonging within whiteness nor find it in the community and cultures whiteness demands immigrants and people of color leave behind. In You Sound Like a White Girl, Julissa offers a bold new promise: Belonging only comes through celebrating yourself, your history, your culture, and everything that makes you uniquely you. Only in turning away from the white gaze can we truly make America beautiful. An America where difference is celebrated, heritage is shared and embraced, and belonging is for everyone. Through unearthing veiled history and reclaiming her own identity, Julissa shows us how to do this.

Double Shot Death-Emmeline Duncan 2022-04-26

Sage Caplin is taking her Portland coffee cart on the road to a sustainable music festival, but murder is an unwanted special guest . . . At Campathon, an annual eco-friendly festival held on a farm outside of Portland, fans celebrate the Pacific Northwest’s music scene in quintessential PDX style—with gourmet food carts, reusable utensils . . . and lots of coffee. How else to get through three days of nonstop entertainment? Sage has scored a coveted place for her Ground Rules coffee cart thanks to her new-ish boyfriend, Bax, who’s friendly with Maya, one of the musicians performing. The festivities begin with a stream of customers, friends, and acquaintances stopping by for Ground Rules’ world-class blends, expertly brewed by Sage and her newest barista. But there are tensions between Maya and her former bandmates, who are on the cusp of making it big, and with Ian, the band’s manager. When Sage stumbles upon Ian’s dead body in the nearby woods—his hand still clutching one of her coffee mugs—it’s clear that someone’s grudge boiled over into murder. Can Sage work out who’s responsible before another innocent life fades out, and the curtain falls on Campathon, and maybe her own future, for good? Praise for Fresh Brewed Murder “Lively characters help propel the intricate plot. Cozy fans will hope to see a lot more of Sage and friends.” —Publishers Weekly

Synoptic History and Upcoming World Events-Eric M. Salon 2009-09-01

This summarized overview of history provides tours of civilizations in eras past and present as well as an analysis of upcoming world events from a Biblical perspective. To live in such trying times is challenging. As a leader or ordinary citizen, do you have strategies for survival or success? What are true riches? What belief system and priorities are most important to you? Hopefully insights from this book will help many find love, peace, happiness, purpose, power and victory in this short lifespan, a prelude to grand eternity.

Soles of a Survivor-Nhi Aronheim 2021-05-25

The Unbelievable True Story of a Vietnamese Refugee Who Not Only Made the United States Her Home, But Learned the True Value of Hope, Love, and Religion Along the Way The soles of Nhi Aronheim’s feet still bear the scars of her escape from Vietnam—trudging through the jungles of Cambodia as a twelve-year-old with a group of strangers seeking the land of opportunity: America. Her quest for survival through the Cambodian jungle eventually led her to a boat that took her to Thailand and an orphanage where Nhi lived for two years until she qualified for refugee status in the United States. Years later, she returned to Vietnam with a film producer to reunite with the family she never thought she’d see again. A second trip to Vietnam brought her two mothers, birth and adopted, face to face. Yet Soles of a Survivor isn’t just another inspirational survival story. It’s about the lessons Nhi learned about humanity, diversity, and unconditional love since arriving in the United States. She now has a deeper appreciation for the parallels between the Jewish and Vietnamese cultures, and others. After she met her Jewish beau, they got married. She eventually converted to Judaism, though the process was challenging for an Asian woman adopted into a Christian household. Her story shows it matters less what religion we’re part of, as long as we radiate goodness to those we meet. Now she relishes being a Vietnamese Jew. Having come full circle from prosperity to poverty and back, Nhi hopes to encourage others to believe that in spite of overwhelming odds, all things are possible if one has an intense desire, focused energy, and the audacity to grasp presented opportunities.

Chase’s Calendar of Events 2021-Editors of Chase’s 2020-10-27

Since 1957, Chase’s Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, national days, historical milestones, famous birthdays, festivals, sporting events and more. “The Oxford English Dictionary of holidays.” NPR’s Planet Money.

Imaginable-Jane McGonigal 2022-03-24

World-renowned future forecaster, game designer, and NEW YORK TIMES bestselling author Jane McGonigal gives us the tools to imagine the future without fear. How can we be confident about making plans? How might we feel secure despite the future being unknown? How do we learn to feel at peace with the unexpected? Today it feels more challenging than ever to feel unafraid, hopeful, and equipped to face the future with optimism. How do we map out our lives when it seems impossible to predict what the world will be like next week, let alone next year or next decade? What we need now are strategies to help us recover our confidence and creativity in facing uncertain futures. By learning to think the unthinkable and imagine the unimaginable you can better plan for a future you’d like to see. And by seeing what’s coming faster, you can adapt to new challenges, reduce anxiety, and build hope and resilience. An accessible, optimistic field guide to the future.'-San Francisco Chronicle 'Jane McGonigal is unusually adept at anticipating events that most of us can't even fathom. In this eye-opening, actionable book, she teaches you how to widen your peripheral vision, extend your imagination farther into the future, and conceive of the inconceivable.' Adam Grant, #1 Bestselling Author of Think Again _____ 'Top 10 innovators to watch' Business Week '10 most powerful women to watch' Forbes 'Top 100 creative people in business' Fast Company

Meet Me at the Well-Jane Yolen 2018-01-16

Old Testament stories center around men. Leaders, prophets, kings, and priests are all male. But hidden in the background are strong-willed, daring females. Jane Yolen and Barbara Diamond Goldin’s masterful retellings pairs eloquent profiles with stunning art, answering one question: What makes these women heroes? From first woman, Eve, to Deborah the judge, to Queen Esther, savior of her people, females in the Hebrew bible are resourceful and courageous. Each chapter is devoted to a single story with text complemented by sidebars, known in Jewish tradition as “midrashim,” that pose questions, provide more information, and include nondenominational interpretations. “A much-needed, thoughtful updating of Bible stories about women” — Kirkus Reviews (STARRED REVIEW) “A solid source of study and reflection for libraries with religious patrons” — School Library Journal “Each chapter features a lovely full-page piece of artwork” — Booklist

Five Days at Memorial-Sheri Fink 2013-09-10

The award-winning book that inspired an Apple Original series from Apple TV+ • Pulitzer Prize winner Sheri Fink’s landmark investigation of patient deaths at a New Orleans hospital ravaged by Hurricane Katrina—and her suspenseful portrayal of the quest for truth and justice. In the tradition of the best investigative journalism, physician and reporter Sheri Fink reconstructs 5 days at Memorial Medical Center and draws the reader into the lives of those who struggled mightily to survive and maintain life amid chaos. After Katrina struck and the floodwaters rose, the power failed, and the heat climbed, exhausted caregivers chose to designate certain patients last for rescue. Months later, a doctor and two nurses were arrested and accused of injecting some of those patients with life-ending drugs. Five Days at Memorial, the culmination of six years of reporting, unspools the mystery of what happened in those days, bringing the reader into a hospital fighting for its life and into a conversation about the most terrifying form of health care rationing. In a voice at once involving and fair, masterful and intimate, Fink exposes the hidden dilemmas of end-of-life care and reveals just how ill-prepared we are for the impact of large-scale disasters—and how we can do better. A remarkable book, engrossing from start to finish, Five Days at Memorial radically transforms your understanding of human nature in crisis. One of The New York Times’ Best Ten Books of the Year

The Soul of an Octopus-Sy Montgomery 2016-07-12

Finalist for the National Book Award for Nonfiction * New York Times Bestseller * Starred Booklist and Library Journal Editors’ Spring Pick * A Huffington Post Notable Nonfiction Book of the Year * One of the Best Books of the Month on Goodreads * Library Journal Best Sci-Tech Book of the Year * An American Library Association Notable Book of the Year “Sy Montgomery’s The Soul of an Octopus does for the creature what Helen Macdonald’s H Is for Hawk did for raptors.” —New Statesman, UK “One of the best science books of the year.” —Science Friday, NPR Another New York Times bestseller from the author of The Good Good Pig, this “fascinating...touching...informative...entertaining” (The Daily Beast) book explores the emotional and physical world of the octopus—a surprisingly complex, intelligent, and spirited creature—and the remarkable connections it makes with humans. In pursuit of the wild, solitary, predatory octopus, popular naturalist Sy Montgomery has practiced true immersion journalism. From New England aquarium tanks to the reefs of French Polynesia and the Gulf of Mexico, she has befriended octopuses with strikingly different personalities—gentle Athena, assertive Octavia, curious Kali, and joyful Karma. Each creature shows her cleverness in myriad ways: escaping enclosures like an orangutan; jetting water to bounce balls; and endlessly tricking companions with multiple “sleights of hand” to get food. Scientists have only recently accepted the intelligence of dogs, birds, and chimpanzees but now are watching octopuses solve problems and are trying to decipher the meaning of the animal’s color-changing techniques. With her “joyful passion for these intelligent and fascinating creatures” (Library Journal Editors’ Spring Pick), Montgomery chronicles the growing appreciation of this mollusk as she tells a unique love story. By turns funny, entertaining, touching, and profound, The Soul of an Octopus reveals what octopuses can teach us about the meeting of two very different minds.

Revelation- 1999-01-01

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numericalogical predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Dear Treefrog-Joyce Sidman 2021

"With magical, concise and perceptive poems, Newbery-Honor winning author Joyce Sidman captures the life of a tree frog in an intimate and moving way. A master of the science note, her fascinating sidebars help bind the twin poems together and ground our perspective. We learn how treefrogs have sticky toe pads, how they still themselves when in danger, how they can change from green to gray to camouflage themselves - even how they eat their own skins, which is full of nutrients. The narrator’s connection with this small creature brings solace, comfort, and a sense of mystery"--

Some Indian Events of New England- 1941

Science Fiction, Fantasy, & Horror- 1988

A comprehensive bibliography of books and short fiction published in the English language.

Once Upon a Wardrobe-Patti Callahan 2021-10-19

Megs Devonshire sets out to fulfill her younger brother George's last wish by uncovering the truth behind his favorite story. The answer provides hope and healing and a magical journey for anyone whose life has ever been changed by a book. 1950: Margaret Devonshire (Megs) is a seventeen-year-old student of mathematics and physics at Oxford University. When her beloved eight-year-old brother asks Megs if Narnia is real, logical Megs tells him it's just a book for children, and certainly not true. Homebound due to his illness, and remaining fixated on his favorite books, George presses her to ask the author of the recently released novel The Lion, the Witch and the Wardrobe a question: “Where did Narnia come from?” Despite her fear about approaching the famous author, who is a professor at her school, Megs soon finds herself taking tea with C.S. Lewis and his own brother Warnie, begging them for answers. Rather than directly telling her where Narnia came from, Lewis encourages Megs to form her own conclusion as he slowly tells her the little-known stories from his own life that led to his inspiration. As she takes these stories home to George, the little boy travels father in his imagination than he ever could in real life. Lewis’s answers will reveal to Megs and her family many truths that science and math cannot, and the gift she thought she was giving to her brother—the story behind Narnia—turns out to be his gift to her, instead: hope. A captivating, standalone historical novel combining fact and fiction An emotional journey into the books and stories that make us who we are Includes discussion questions for book clubs

Between Tides-Angel Khoury 2021-08-10

A captivating historical novel set on Cape Cod and North Carolina's Outer Banks, perfect for readers of Where the Crawdads Sing and Marilynne Robinson's Housekeeping 1890s, Cape Cod: Between tides, a man deserts his wife and his post as keeper of the Chatham Beach Lifesaving Station to start a new family far to the south, at Cape Hatteras. 1940s: His daughter, en route to serve in World War II with the Red Cross, travels to Cape Cod where she meets his first wife, Blythe, reanimating a life she had long buried: memories of her courtship, her bitter losses, and her husband's slow-motion vanishing. Set on two wild seascapes, Cape Cod and North Carolina's Outer Banks, Between Tides is a lyrical novel for readers of Virginia Woolf, Djuna Barnes, and Marilynne Robinson—a story of two women stitching together a family ripped at the seams and discovering that even through absence, love's presence is everlasting.

The City of Dusk-Tara Sim 2022-03-22

This dark epic fantasy follows the heirs of four noble houses—each gifted with a divine power—as they form a tenuous alliance to keep their kingdom from descending into a realm-shattering war. The Four Realms—Life, Death, Light, and Darkness—all converge on the city of dusk. For each realm there is a god, and for each god there is an heir. But the gods have withdrawn their favor from the once vibrant and thriving city. And without it, all the realms are dying. Unwilling to stand by and watch the destruction, the four heirs—Risha, a necromancer struggling to keep the peace; Angelica, an elementalist with her eyes set on the throne; Taesia, a shadow-wielding rogue with rebellion in her heart; and Nik, a soldier who struggles to see the light—will sacrifice everything to save the city. But their defiance will cost them dearly.

15 Future Events That Will Shake the World-Ed Hindson 2014-04-01

What can people on Earth expect during the last days? In all the chaos that the Bible predicts, several events stand out as truly extraordinary—so much so that they arouse many questions from both Christians and non-Christians. What are these events, and what makes them so significant? Longtime Bible prophecy expert Ed Hindson surveys each one in detail and explains the impact they will have: millions missing in the rapture world power shifts after the rapture, including in the USA the rise of a global dictator God's two witnesses rising from the dead in full view of the world the rebuilt Jewish temple usurped by Antichrist the Holocaust eclipsed Christ's glorious return to earth as conqueror and king A riveting overview of events that truly will shake the world—how they will unfold, what they mean to us, and God's purposes for bringing them about.

The Wonder Boy of Whistle Stop-Fannie Flagg 2021-08-03

NEW YORK TIMES BESTSELLER • A heartwarming novel about secrets of youth rediscovered, hometown memories, and the magical moments in ordinary lives, from the beloved author of Fried Green Tomatoes at the Whistle Stop Cafe “A gift, a blessing and a triumph . . . celebrates the bonds of family and friends—and the possibilities of recovery and renewal.”—The Free Lance-Star Bud Threadgoode grew up in the bustling little railroad town of Whistle Stop with his mother, Ruth, church-going and proper, and his Aunt Iddie, the fun-loving hell-raiser. Together they ran the town’s popular Whistle Stop Cafe, known far and wide for its fun and famous fried green tomatoes. And as Bud often said of his childhood to his daughter Ruthie, “How lucky can you get?” But sadly, as the railroad yards shut down and Whistle Stop became a ghost town, nothing was left but boarded-up buildings and memories of a happier time. Then one day, Bud decides to take one last trip, just to see what has become of his beloved Whistle Stop. In so doing, he discovers new friends, as well as surprises about Iddie’s life, about Ninny Threadgoode and other beloved Fannie Flagg characters, and about the town itself. He also sets off a series of events, both touching and inspiring, which change his life and the lives of his daughter and many others. Could these events all be just coincidences? Or something else? And can you really go home again?

The Shimmering State-Meredith Westgate 2021-08-10

Named a Book You Need to Read in 2021 by Harper’s Bazaar A “moving, astounding, and totally unsettling” (Caroline Leavitt, New York Times bestselling author) literary debut following two patients in recovery after an experimental memory drug warps their lives. Lucien moves to Los Angeles to be with his grandmother as she undergoes an experimental treatment for Alzheimer’s using the new drug, Memoroxin. An emerging photographer, he’s also running from the sudden death of his mother, a well-known artist whose legacy haunts him. Sophie has just landed the lead in the upcoming performance of La Sylphide with the Los Angeles Ballet Company. She still waitresses at the Chateau Marmont during her off hours, witnessing the recreational use of Memoroxin—or Mem—among the Hollywood elite. When Lucien and Sophie meet at The Center, founded by an ambitious yet conflicted doctor to treat patients who’ve abused Mem, they have no memory of how they got there—or why they feel so inexplicably drawn to each other. Is it attraction, or something they cannot remember from “before”? “Contemplative and wonderfully evocative, finishing The Shimmering State is like waking from a dream, where you reenter the world with fresh eyes and wonder at the frailty of your own memories” (Jessica Chiarella, author of The Lost Girls).

Today My Sermon Notes Journal-Janelle Morgan 2019-08-12

AN INSPIRATION WORSHIP MATERIALS TO RECORD AND REFLECT ON EACH WEEK WORSHIP SERVICE THAT HELPS YOU TO APPLY THE SCRIPTURES IN YOUR EVERYDAY LIFE. Special Events-Seungwon Lee 2020-08-04

Recent years have seen dramatic changes to the events industry. The influence of social media and global communications technology, increased focus on environmental sustainably and social responsibility, and changes to the economic and cultural landscape have driven rapid expansion and increased competition. Special Events: Creating and Sustaining a New World for Celebration has been the event planner’s essential guide for three decades, providing comprehensive coverage of the theory, concepts and practice of event management. The new Eighth Edition continues to be the definitive guide for creating, organizing, promoting, and managing special events of all kinds. Authors, Seungwon “Shawn” Lee and Joe Goldblatt, internationally-recognized leaders and educators in the industry, guide readers through all the aspects of professional event planning with their broad understanding of diverse cultures and business sectors. This definitive resource enables current and future event leaders to stretch the boundaries of the profession and meaningfully impact individuals, organizations, and cultures around the globe. Global case studies of high-profile events, such as the PyeongChang Winter Olympic Gamesand theNorway’s Constitution Day annual event, complement discussions of contemporary issues surrounding safety, security, and risk management. Each chapter includes “Ecologic,” “Techview,” and/or “Secureview,” mini-case studies, a glossary of terms, plentiful charts, graphs, and illustrations, and links to additional online resources.

The History of New-Hampshire-Jeremy Belknap 1791

Adverse Events-Jill A. Fisher 2020-05-12

Explores the social inequality of clinical drug testing and its effects on scientific results Imagine that you volunteer for the clinical trial of an experimental drug. The only direct benefit of participating is that you will receive up to \$5,175. You must spend twenty nights literally locked in a research facility. You will be told what to eat, when to eat, and when to sleep. You will share a bedroom with several strangers. Who are you, and why would you choose to take part in this kind of study? This book explores the hidden world of pharmaceutical testing on healthy volunteers. Drawing on two years of fieldwork in clinics across the country and 268 interviews with participants and staff, it illustrates how decisions to take part in such studies are often influenced by poverty and lack of employment opportunities. It shows that healthy participants are typically recruited from African American and Latino/a communities, and that they are often serial participants, who obtain a significant portion of their income from these trials. This book reveals not only how social inequality fundamentally shapes these drug trials, but it also depicts the important validity concerns inherent in this mode of testing new pharmaceuticals. These highly controlled studies bear little resemblance to real-world conditions, and everyone involved is incentivized to game the system, ultimately making new drugs appear safer than they really are. Adverse Events provides an unprecedented view of the intersection of racial inequalities with pharmaceutical testing, signaling the dangers of this research enterprise to both social justice and public health.

The Almond in the Apricot-Sara Goudarzi 2022-01-17

The Almond in the Apricot, a debut novel by Iranian-American Goudarzi, is about two individuals whose paths cross in the most unusual of ways: a woman coming to terms with the wreckage of her once-orderly life and a tween girl struggling to live an everyday in a war-torn country. Emma had the perfect trifecta: a long-term, albeit boring, job as an engineer in wastewater management; a steady relationship with her reliable boyfriend; and an adoring and creative best friend (about whom she wasn't quite ready to admit her unrequited feelings). However, after one crackling, long-distance phone call, her world changed forever. Now she's having nightmares that threaten to disrupt the space-time continuum -- nightmares of hiding from missiles in basements, of glass shattering in the night from nearby explosions. But these nightmares, featuring a young girl named Lily, seem all too real, and Emma's waking life begins to be affected by the events that transpire in this mysterious wartime landscape. The Almond in the Apricot explores love, grief, and the possibility that the universe might be bigger than either Emma or Lily ever imagined.

Still-Jenny L. Donnelly 2020-01-07

Do you worry a lot? Is it common for you to dread upcoming events? Does pressure or stress trigger outbursts of anger, isolation, depression, or feelings of failure? Do you have a hard time finishing what you start? Do you find it impossible to work in the middle of chaos? Do you wonder if God is really going to come through for you in difficult times? In Still, Jenny Donnelly teaches you how to experience true, life-giving rest even in the midst of chaos. While most of us think of rest as something we do, Jenny shares how rest is a place from which we live and work. Sharing her own personal story of struggling with life's pressures and spiritual exhaustion, she introduces you to the source of peace and rest: Jesus. She shows you the steps to take to access rest anytime, anyplace, under any conditions. And she reveals how operating from a place of stillness powers your identity, creativity, relationships, and so much more. If you've been stressed and anxious, operating on autopilot as life whizzes by, it's time you discovered the resting place God designed for you.
